

**RVTP: Next 10 to 25+ years**

**Focus for all needs, future factors, goals**

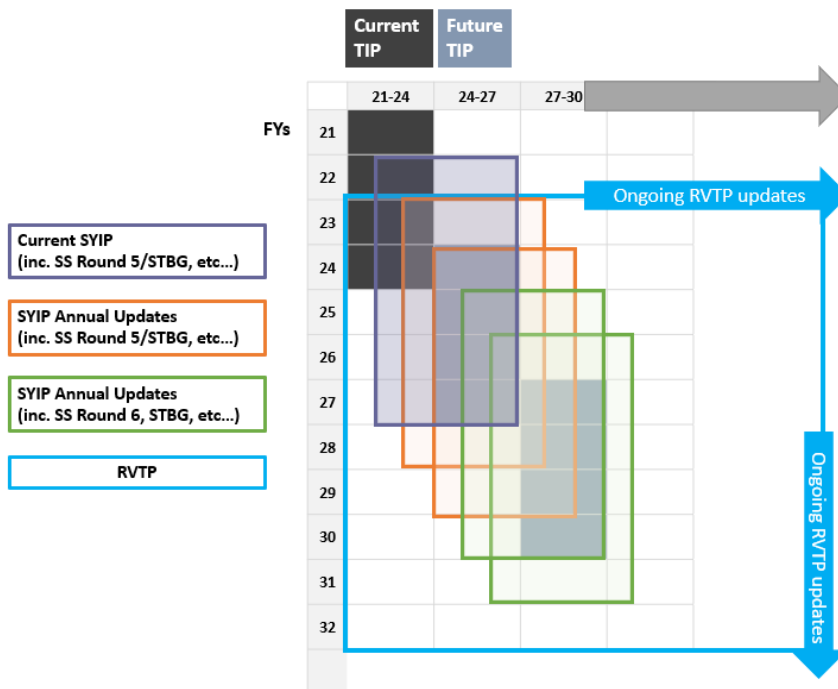

- Track regional trends/future factors, risks and opportunities
- Conduct long-range planning/visioning efforts
- Monitor changing needs

**RVTP: Current to 10 years**

**Focus for priority needs, solutions, and projects**

- Prioritize studies for priority gap needs
- Prioritize solutions to develop into projects/services to compete for funding (SMART SCALE, Revenue Sharing, TA, STBG, 5307/5310, etc...) in annual budget, SYIP development cycles
- Position projects/services to compete for Federal discretionary grants

**Next Ten-Year Timeline**

**RVTP creates the regional "pipeline" of priority projects/services/studies to pursue**

Develop preferred solutions to address priority gap needs (past/ongoing plans/studies, valuable resources for recommendations)

Position projects to compete in funding programs for inclusion in next SYIP

Position projects to compete in funding programs for inclusion in future SYIPs
