

The 27th day of June, 2024

RESOLUTION

SUBJ: Recommendation on an Out-of-Cycle Request from the Town of Vinton To Utilize Transportation Alternatives Program Funding

WHEREAS, on February 27, 2020, the Roanoke Valley Transportation Planning Organization allocated \$380,000 of its apportionment of FY21 and FY22 Transportation Alternatives Set-Aside Block Grant Program (TAP) funding to the Glade Creek Greenway Phase 2B project (UPC 117995) in the Town of Vinton; and,

WHEREAS, on January 25, 2024, the RVTPO adopted a TAP Adjustment Process requiring a recommendation from the RVTPO Transportation Technical Committee to the RVTPO Policy Board for projects requesting more than 10% of a previously funded project's cost; and,

WHEREAS, on January 25, 2024, the RVTPO Policy Board awarded an additional \$180,000 in TAP funding for unforeseen budget increases; and,

WHEREAS, on May 30, 2024, the Town of Vinton requested an additional \$78,893 in additional TAP funding for unforeseen budget increases; and

WHEREAS, the RVTPO Transportation Technical Committee has forwarded a recommendation to the Policy Board to provide an additional \$78,893 for the Glade Creek Greenway Phase 2B project.

NOW, THEREFORE BE IT RESOLVED, that the Roanoke Valley Transportation Planning Organization Policy Board hereby awards \$78,893 in Transportation Alternatives Program funds to the Glade Creek Greenway Phase 2B project and forwards this decision to the Commonwealth Transportation Board.
