D. Description of Entity and Records to be Audited

The WVRIFA is a government authority established on December 11, 2013, through the Virginia Regional Industrial Facilities Act, and serves the County of Roanoke, the County of Botetourt, the County of Franklin, the City of Roanoke, the City of Salem and the Town of Vinton in the Commonwealth of Virginia. Administrative offices and all records are located at 313 Luck Avenue, SW, Roanoke, Virginia 24016.

On September 1, 2016, the Roanoke Valley-Alleghany Regional Commission (RVARC) became the fiscal agent for the WVRIFA. RVARC's responsibilities include, but are not limited to, receiving, managing and administering all WVRIFA funds, accepting, maintaining, disbursing, accounting for and reporting all funds received on behalf of the WVRIFA, and maintaining proper financial accounting records.

E. Options

At the discretion of the WVRIFA, this audit contract can be extended for four (4) additional one-year periods. The cost for the option periods will be agreed upon by the WVRIFA and the Offeror. It is anticipated that the cost for the optional years will be based upon the same approximate cost per thousand dollars of audited expenditures as the contract for the initial year.

II. SPECIFICATION OF NEEDS

A. Scope of a Financial Audit

The purpose of this RFQ is to obtain the services of a public accounting firm, whose principal officers are independent certified public accountants, certified or licensed by a regulatory authority of a state or other political subdivision of the United States, hereinafter referred to as the "Offeror" to perform a financial audit of the WVRIFA.

The audit should be conducted following Generally Accepted Accounting Principles, Government Auditing Standards, issued by the Comptroller General of the United States and the Specifications for Audits of Authorities, Boards and Commissions issued by the Auditor of Public Accounts of the Commonwealth of Virginia.

B. Description of Programs/Contracts/Grants (WVRIFA)

The WVRIFA operates programs funded with federal, state and local funds. Please see Attachment 1 for a listing of the FY2025 WVRIFA revenue budgets.

C. Performance

The WVRIFA's records should be audited July 1, 2024 through June 30, 2025.

D. Delivery Schedule

Offeror is to transmit one copy of the draft audit report to the WVRIFA's Executive Director, Director of Finance, Chairman and Treasurer by September 16, 2025. The final audit report is due on Friday, October 3, 2025. The Offeror shall present the final audit report to the WVRIFA's Board of Directors meeting on October 17, 2025.

Draft reports may be submitted earlier than the above schedule. However, if the Offeror fails to make delivery of the audit reports within the time schedule specified herein, or if the Offeror delivers audit reports which do not conform to all of the provisions of this contract, the WVRIFA may, by written notice of default to the Offeror, terminate the whole or any part of this contract. Under certain extenuating circumstances the contracting agent may extend this schedule upon written request of the Offeror with sufficient justification.

E. Price

The Offeror's proposed price should be submitted. Include information indicating how the price was determined. For example, the Offeror should indicate the estimated number of hours by staff level and any out-of-pocket expenses should also be indicated, if they are not included in the audit price.

F. Payment

Payment will be made when the WVRIFA has determined that the total work effort has been satisfactorily completed. Should the WVRIFA reject a report, the WVRIFA's authorized representatives will notify the Offeror in writing of such rejection giving the reason(s). The right to reject a report shall extend throughout the term of this contract and for ninety (90) days after the Offeror submits the final invoice for payment.

Upon delivery of the final report to the WVRIFA and acceptance and approval by the

WVRIFA board, the Offeror may submit a bill for the audit.

G. Exit Conference

An exit conference with the WVRIFA's representatives and the Offeror's representatives will be held at the conclusion of the field work. Observations and recommendations must be summarized in writing and discussed with the WVRIFA. It should include internal control and program compliance observations and recommendations.

H. Work Papers

1. Upon request, the Offeror will provide a copy of the work papers pertaining to any questioned costs determined in the audit. The work papers must be concise and provide the basis for the questioned costs as well as an analysis of the problem.

IV. QUOTE SUBMISSION

A. Submission of Quote

Additionally, a USB flash drive with an electronic version of the submission must be included with the paper copies. These documents combined with the RFQ will become part of the contract.

1. The quote is not received timely in accordance with the terms of this RFQ.
2. The quote does not contain all requested information.
3. The quote does not include the Certifications.

C. Review Process

The WVRIFA may, at its discretion, request presentations by or meetings with any or all Offerors, to clarify or negotiate modifications to the Offerors' quotes.

However, the WVRIFA reserves the right to make an award without further discussion of the quotes submitted. Therefore, quotes should be submitted initially on the most favorable terms, from both technical and price standpoints, which the Offeror can propose.
