Project Background

Glade Creek Greenway Phase 3 Preliminary Engineering UPC# 124024

The Project is funded by the Virginia Department of Transportation (VDOT) Surface Transportation Block Grant (STBG). The Project will be governed and administered under the VDOT Locally Administered Projects (LAP) Manual, Roanoke County, and Town of Vinton policies and procedures. Project activities are to be performed in accordance with all federal, state, and local laws and regulations.

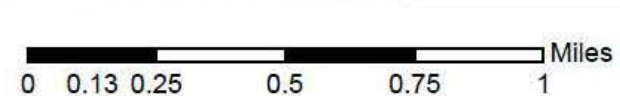

Glade Creek Greenway Status

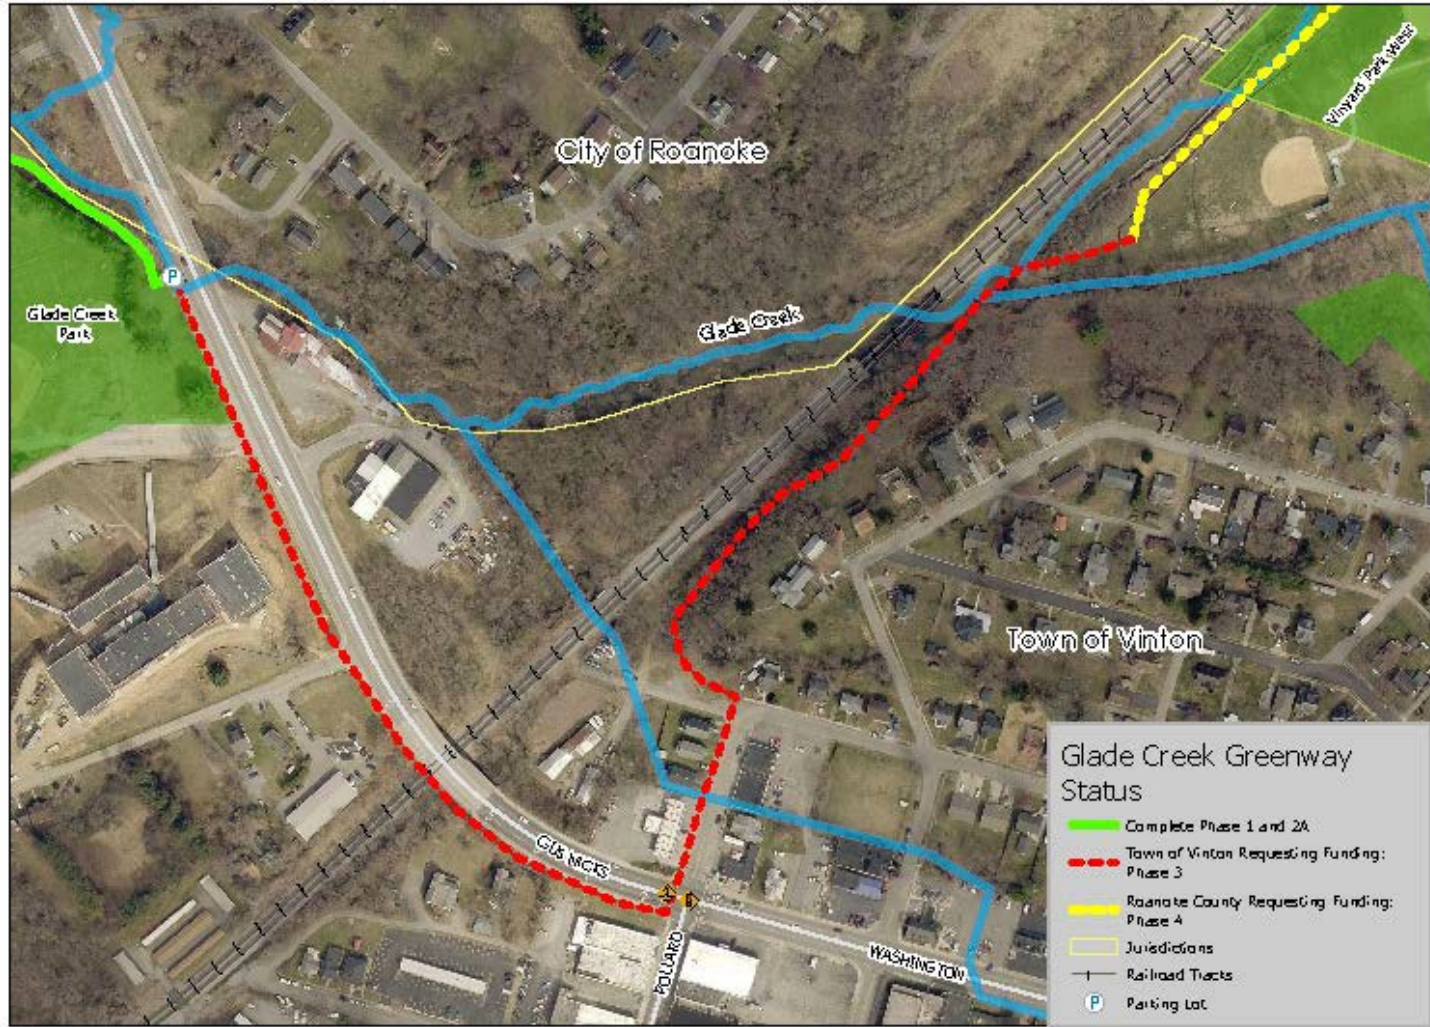

- **Phase 1** was completed from Virginia Avenue to Walnut Avenue in 2017
- **Phase 2B** at the Norfolk Southern bridge is under construction
- **Phase 2A** from Gearhart Park to Gus Nicks Boulevard opened in June 2021
- **Phase 3** from Gus Nicks Boulevard to Vinyard Park West has funding for preliminary engineering
- **Phase 4** in Vinyard Park West was funded in 2022 and is nearing construction
- **Phase 5** through Vinyard Park East was an unsuccessful TA application and will be a future request

The eVA Procurement Portal

The Roanoke Valley-Alleghany Regional Commission posts procurement opportunities on the state's eVA system (<https://eva.virginia.gov/>). All vendors or service providers looking to do business with the commission must register with eVA. eVA is the Internet-based procurement system used by state agencies and institutions. To register, go to their website at (<https://www.eva.virginia.gov/>). The information submitted on the registration will be used in determining the types of materials, equipment, supplies, or services for which the vendor will receive solicitations. Each purchasing office reserves the right to verify the vendor's capability prior to making an award.

Procurement Opportunities

TITLE	DATE OF ISSUE	DUE DATE	STATUS
