Childcare.gov

The “[Search for Child Care](#)” webtool provides facility information and inspection reports for licensed and religiously exempt child care centers, licensed and voluntarily registered family day homes and certified pre-schools.

Child Care Aware

Child Care Assistance

Assists families in paying child care costs for children under age 13 who are not eligible to attend public school during the part of the day when public education is available, or children with special needs under age 18 who reside with the applicant.

Expense Deductions

Deduction is available for taxpayers who were eligible to claim the Federal Child and Dependent Care Credit, and the deduction may be taken up to the same levels (\$3000 for one dependent and \$6000 for 2 or more).

Child & Dependent Credit

The credit is applicable to any dependent under the age of 13 (as well as certain adults who require care). The tax credit, up to \$3000 for one dependent or \$6000 for two or more dependents, offsets between 20-35% of childcare expenses.
